So, it was September (of last year) when I was just dead bored. So some ideas just sprang up. One of them started when I thought, "scanlating groups always have newbies that are willing to learn editing manga from scratch. Then I wonder.. 'What if I teach basic Japanese just for translating manga?'"

So I tried, started with a few applicants; six, sevenish. Every month, a few would just disappear without a single "fkdisshyt, imout" or "imsorry,ihatejapnow." However, there was one that just held on there. Just kept on learning with that motivation to learn Japanese.

Interbling.

This chapter is his (gender based on "internet default") first chapter, and I would like to congratulate him for the hard work and yelling (from me) he went through.
Good job.

SO THAT'S WHAT HAPPENED...
I SEE.
OH MY, OH MY, OH MY!

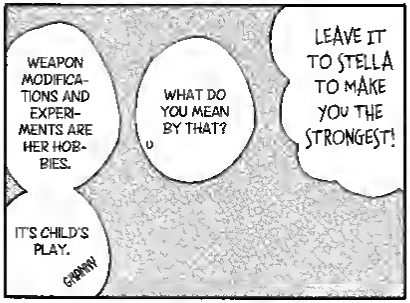
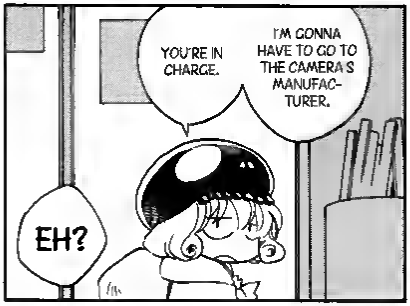
A PARENT'S IDIOTIC HEART WANTED TO TAKE PHOTOS,
AND IN THE END YOU USED ALL THE FILM AND HAD TO GET RID OF IT.
OH, OH, OOH!
SO LIGHT
AND THAT'S WHY YOU RUSHED IN HERE IN A PANIC?
YET IT DIDN'T RETURN HER BACK TO NORMAL.
EVEN THOUGH THEY SAW EACH OTHER YESTERDAY
YUP.
YOU HAVEN'T SEEN HER SINCE YOU BECAME BIGGER.
SHE'S CAUGHT A DISEASE.
WHY DON'T YOU CHECK ROCK-CHAN AGAIN?
RIGHT NOW, THIS IS WHAT I THINK.
I'VE BEEN DEFEATED...

RIGHT, STELLA WILL MAKE YOU STRONGER!



WEAPON MODIFICATIONS AND EXPERIMENTS ARE HER HOBBIES.
WHAT DO YOU MEAN BY THAT?
LEAVE IT TO STELLA TO MAKE YOU THE STRONGEST!
IT'S CHILD'S PLAY.
CHUHH

あ…



YOU'RE IN CHARGE.
I'M GONNA HAVE TO GO TO THE CAMERA'S MANUFACTURER.
EH?

ドドドドド

ALL ALONE.
WHA-?

THAT'S GOOD
THERE'S NO CHANGE IN THE CANNON.
REFLECTED RIGHT OFF THE IRON BOARD, HUH.

IN THE END, SHE HAD TO LOOK AFTER THE STORE AND WAIT IN THE END, SHE HAD TO LOOK AFTER THE STORE AND WAIT
ギーガガガ

AS STELLA THOUGHT, THE BEAM HAS TOO MUCH POWER.
HMMM...
ゴゴゴ…
HUH?
HOW DARE YOU CONTINUE... THAT FIGHT!
ギャー

BUT!
WHY DON'T YOU HOLD OFF ON USING IT UNTIL YOU'RE AN EXPERT!?

ぱぁぁ
あぁぁ
Now! Let's go get you changed!
You've gotten big, hun? Well, I don't need to know how.
It-
Knives were thrown again
wonderful...
It's
It-
Really now.
It's only now when the sensei feels to do it herself...

Ah.
SUU-SUN
Previously on BRC: Rock-chan grew bigger.
Getting ahead of herself, she fired her cannon beam like so.
.....
And, it was pitiful to run away after destroying the place, right?
Shut it...
Oh?
Can you pay it up? If you were to borro...
I DIDN'T DO ANY-THING WRONG!
AH, GEEZ!

This is a case of reverse dere.

Really?
Isn't being an adult nice?
If there are other choices...
Uuu...
We can talk about the debt later.
Will Stella grow if she becomes an adult?
There are bits and parts I liked.
Well...
Isn't the present fine?
Do you want to go back to how it was before?
WHEN SHE GROWS UP
Only we understond.
Bits and parts?
EH? WHY NOT?
I can't seem to imagine that.
Spare me some slack...
Then shall Stella go back to how I was before?

I

Sailor uniform
Bunny suit
School swimsuit

Oh? I feel sorry for you for not bringing a camera today.
She became a nice toy for her.
KEEP IT UP, SONGEL
I'll copy them later, so it's fine!
It seems it'll never be solved even if you die, right?
China qi-pao
Maid uniform!
.....
What's wrong?
?

Back to before, huh.

Well...
I thought I was okay with it at first...
So you don't like her being grown up just yet?

Hmm...
What do you mean?
Maybe having her small is better.

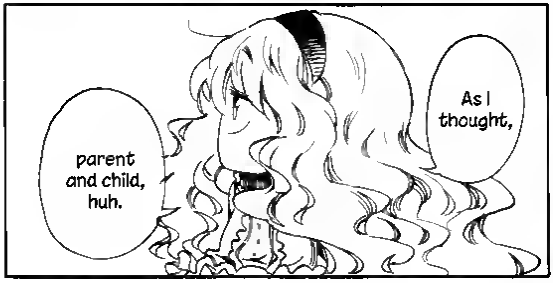
I want my usual clothes back.

I can't really say it in words, but
I've been with that kid for a long time.
And there is a lot of things to look forward to.
Watching each and every one of those kids grow is my happiness.
That's also why I have a camera with me at all times.
However,
Having her explode in growth may be a bit saddening.

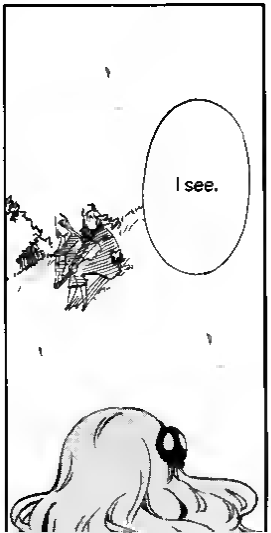
That's why I want to watch slowly
for her to grow up from a kid's figure.

You're a nice mother.

Because,
It's nice that way...



As I thought,
parent and child, huh.



I see.

← A bit unsatisfied.

THE NEXT DAY.
Rock-chan,
We're going to buy tonight's ingredients for dinner!
Rock-cha-n

What do you want for dinner?
Steak.
Something not that extravagant.

Rock-chan,
Have you gotten a bit taller?
?
Oh well.
